

SOUL CUSTODY PARENTING

Do you have joint custody of the children with your children's other parent? This course is for you. "Soul Custody" gives you a common experience to rise to the occasion of shared custody parenting to give your children the best experience possible. Come for the encouragement and character building as we learn how to put the children first.

**This course is not an official parenting course designed to meet county court requirements for court ordered parenting classes.*

Classes are taught by Pamela Henry, owner of Soul Custody Visitation Monitoring in Redlands.

Cost is \$40 for ages 18+

Participants will be given a Zoom login before the start of class.

Classes are "on-call" Saturdays from 9:00am - 11:00am
